Hey Rebecca -

I got forwarded the call in info for the 4pm call and was able to catch the end of it. Would you mind adding me to your distribution list so I'm getting any updates you're providing to offices? Other offices will be more engaged and have more questions for you as we're not in the impact zone, but given that our Science Committee has been asking questions I'd like to stay in the loop.

Thanks and Good Luck!

Jeff
